In the presence of the Lord, my Mother's life ended January 12<sup>th</sup> 2007, only one week after her 50<sup>th</sup> birthday on January 5<sup>th</sup>. She succumbed to cancer after 4 years, but not without a fight. My Mothers only real wish was to live long enough to watch her three young sons and daughter grow up. She fought to see one more football game, one last Christmas and spent her last days in the loving presence of her family and friends. A few specific days in particular made our family at their happiest, thanks to Dreams to Memories. Our family was blessed with a trip to Great Wolf Lodge in Niagara Falls, where we spent four fun-filled days playing in the water park, arcade and playing mini-Putt. Together, we enjoyed each minute with our Mother, while she watched us with a smile that none of us will ever forget. She left an imprint on all our lives, she was courageous, gracious, and loving and spending those few days with our Mother will provide us with a lifetime of memories. She will be missed dearly, but never forgotten.
