

## Off to Edmonton

Dreams to Memories Foundation has granted another wish, this time to a St. Catharines family facing the loss of a loved one.

David and Marlene Harder and their children, Joshua and Jessica, will fly to Alberta on Saturday where they will spend a week at the West Edmonton Mall.

David, 38, has a brain tumour.

Dreams to Memories can be contacted at 905-994-9777. The foundation, based in Fort Erie, gives terminally ill parents the chance to achieve a final wish for their families, whether it be a vacation or some other family experience.
